Join us for the second part of the DiLitE Final Conference!

The conference will focus on pedagogy under the title “Digital literacies in practice: ideas, approaches, tools and resources”.

The innovative 2-year Erasmus+ KA2 project “Digital Literacy in Europe - DiLitE” implemented in UK, Ireland, Cyprus, Greece, Spain & Portugal enters its closing phase and is organizing a Final Conference split over two half days.

The second part of this free online conference: “Digital literacies in practice: ideas, approaches, tools and resources” will be delivered via Zoom from 9.30 am to 11.30 UK time/ 10.30 CET/ 11.30 EEST on Friday, September 24th.

Our keynote speaker will be John Sutter from Learning Unlimited. John will introduce and explore some of the ideas, approaches and questions raised by the increased attention and focus that has inevitably been given to digital literacies (and remote learning) since the Covid-19 pandemic.

Members of the international DiLitE team will then introduce some of the practical resources developed by the project for digital literacies training and education. Participants will have the opportunity to explore and gain access to a wide range of training and teaching materials aimed at both adult educators and adult learners.
